Hello Mr. Jackson,

I'm writing you in regards to the Lake Michigan Post, Society of American Military Engineers Scholarship. While I was unable to attend the event this year, please know that I sincerely appreciate all of the support and affirmation that your group and this scholarship has given to me the past four years. I hope I can continue to work towards your message of improving the life of my community.

Thank you again,

Best,

Thank you for selecting me as a scholarship recipient. It's organizations like yours that support students, and has helped lightened my financial burden of college expenses.

I'm very grateful for your support.
